## PREFACE

After the Lord Mayor's show, life goes on in a mundane fashion having determined how to tackle and navigate the nuances of Brahma-Nature in the effortless, smoothest and most effective manner to rise above the cruelty that threatens one's liberty in the world of humanimals. This book will describe the involvements that the author has in this mode of existence.

### Spontaneity of actions

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/spontaneity-of-actions>

The Self state of being is the attainment of the point where there is total spontaneity of actions and reactions, with nothing planned, fearless of consequences, thought-less, and so purity of the mental faculty.

It is beyond religion such as Vishista-advaita as it is the Absolute state of being free of all the dogmas, beliefs, feelings, hopes, anticipations, wishes, desires, ego and duties as dharma. The dharma that results from the actions that are taken are perfect duties and responsibilities to all aspects of the environment. This is because in the Self state the Being enacts truth at its most pristine definition.

The internet defines mundane as an adjective to mean 'lacking interest or excitement; dull: "his mundane, humdrum existence", the synonyms being humdrum · dull · boring · tedious · monotonous · tiresome ·

That is how I feel about what I have learnt. Everything is so mundane when you are confident that you cannot make a mistake in your dealings with humanimals. Once I found how to cope with these intrusions and traps in a instantaneious manner, life was boring.

### PROCEEDINGS

This afternoon the Landline rang from Santander Bank or a person supposedly representing the Bank that Rashmi took and asked if to take it. I told her to put the phone down. She agreed that it could be a fraud.

At 15.12 pm my Mobile phone rang from a man said I had applied for a job. Where is it, I asked I applied for so many? He said Brompton. I said what is the work? He said Admin 5 hours a day. I said that would be good. He asked for my interests. I said I had worked in Retail, Sainsburys, Tesco, bp and Shell and before that I was a scientist. Now I am self employed publisher. I am looking for part-time work of 2 -3 days a week. He asked if I could come for an interview: I said I would come this weekend. He said He does not work at weekends, what about Monday? I said Monday will be great. Will you send me an email with the details or shall I jot it down. He said He will send me an email. Have you got my email address? He hesitated, so I spelt it out for him as [shantanupanigrahi@yahoo.com](mailto:shantanupanigrahi@yahoo.com). I asked him for his email address: He started spelling it out as [nikos.markantin@tomtaffi....](mailto:nikos.markantin@tomtaffi....) I said that is a bit of a mouthful and it will be in the email that you send me. He said he was going to send it straightaway. Call ended.

When I checked my email inbox there was an email by way of a reply from Omar Sagher, that was copied to the Courts

Dear Omar

So long as the Central London County Court and Medway County Court have no outstanding proceedings relating to this matter, I have nothing further to add to what I have written. If either of these two Courts or the Queens Bench of the High Court or Kent Police contact me in relation to the attached: NorthKentPolicerelasefromcustody, then existing proceedings on E35YM660 will continue.

Dear Clyde Co Law

I remind you that the 50 percent discount on the negotiated Financial Settlement of £ 3.5 million in damages and compensation from Kent Police (Claim J00ME572 with Injunction) is conditional upon satisfactory personal performance of Miss Geri Ottewell at my Shanti Niwas premises.

Meanwhile, Clyde and Co Law has compounded the criminality of their partner in crookedness, BLM LAW, because it too is pretending as an elaborate sham to pervert the course of justice that the defendant in my case was the Kent

Police Chief Constable. It never was, it is Hugh Pughesley QPM. He has lost any protection he has from his position due to his misfeasances and malfeasances in public office which is why he is being pursued in the courts by me under the guidance of former Court Clerk now District Judge, Malcolm Dodds, who told me to now enforce a Default Judgment as a Vishishta-Advaitist conducting a multivenued dharmayudha.

<https://www.knowledgeassessmentanddissemination.com/post/default-judgment-on-claim-j00me572-requested-on-expiry-of-13-june-2022-for-defence>

I now turn my attentions and span to the Legal Ombudsman Organisation which is a whore of Her Corrupt Majesty now that Mr Boris Johnson has been removed as Prime Minister in line with my directives and rulings all my proceedings have been placed on ice until it is definitely known who is

to be his replacement when my litigation will automatically recommence with their name substituted in place of Mr Johnson's, at the appropriate positions.

Yours sincerely

You need to do what comes to your mind instantaneously to be free of mundane matters that go on in life. Whether you categorise this way of living with conceptual notions like dharmayudha, Brahmanism Brahmoadvaita or Vishista-advaita or simply 'the art of living' it hardly matters. Words are just that: words. So long as what you do floats your boat be satisfied with that.

Brahmoadvaita is the latest update founded by me among the diverse concepts of living to Reality in Hinduism from Dwaita, Vishishtadvaita, Shuddhadvaita etc. It is part of the stages that one goes through to determine who a person is and wants to be. I am no longer attached to any particular concepts of Hinduism or any secular methods of conducting myself. I have my own dharma now to live with my wife and daughter to the best of my ability materially to have a comfortable life and living in family harmony, commenting on developments in wider society nationally and internationally from a position of strength that I have gained as much knowledge as is mentally and physically possible for me with my genetic endowments. I am no longer a free spirit but bound by my dharma to live to family needs and make things better in the society that I live in so that it is conducive to what is good for us as a family enjoying life in our particular environment and going for family holidays as can be funded from our own resources. I do not live spiritually anymore and so am selfish in this manner. I want to socialise with all my Facebook friends and in local society to enhance my Green Socialism idea of harmonising with Nature including humanity and plant and animal life. I am accordingly non-violent and believe in ahimsa except for what we eat as food.

*Update:* No email came from the Brompton person offering me a job interview on Monday.

To

Jacqueline and Helen

This matter is far too urgent to put into the back burner until David Caswell returns from leave on 25 July 2022.

BLM Law incorporated into Clyde Law have to agree to process the Pre-action Protocol and free me from the continuing investigation by Kent Police into the circumstances where I am alleged to have stalked and harassed Katrina Sale and staff of BLM Law. I did no such thing. The criminal anonymous emails that have plagued me and my family and associates for the past three to four years are M15-engineered terrorising of me for continuing my fight for justice against the University of Greenwich which deprived me of my severance payment of £55,000 in complicity and conspiracy with officials of the Employment Tribunal in Ashford Hearing Centre and then through District Judges Caddick and Diamond of Medway County Court under Claim ME010463.

The failure of the Medway County Court to implement a default judgement on my Injunction and Money Claims application against Kent Police that prevaricated with obstruction of justice at the Queens Bench Division of the High Court under Claim HQ17X01773, and the refusal of the Central London County Court Judiciary to deal with my application to set aside the Order of His Honour Judge Parfitt and the associated Order District Judge Lightman when taken together with the manner in which my counter prosecution against the Chief Constable was refused by East Kent Magistrates Court and Maidstone County Court all goes to show that the entire Judicial and Law Enforcement processes is not pathetic in structure but deliberately manipulated by a Big Brother Establishment for the reason that I had described the United Kingdom as being a nation of morons in a Police State and that as my karma in sanatana dharma I was minded to punch the final nail in the coffin of such a Monarchical Dictatorship by sticking my head into the mouth of the British Lion and taking it out unscathed, being able to do so because my truths are superior to those under which the unwritten Constitution of the United Kingdom operates.

They can persecute me all they like but I will not be deterred from this path and will fight on in dharmayudha, and will never leave this country no matter how hard they try to give me a criminal record for imprisonment or a forensic record for mental health incarceration again. I repeat I am not just the sanest person in the world today but the sanest who has ever walked on Earth in the history of mankind, and will continue with my political activism in the Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom:

<https://theconservativelibertariansociety.com>

This matter is far too urgent to put into the back burner until David Caswell returns from leave on 25 July 2022.

BLM Law incorporated into Clyde Law have to agree to process the Pre-action Protocol and free me from the continuing investigation by Kent Police into the circumstances where I am alleged to have stalked and harassed Katrina Sale and staff of BLM Law. I did no such thing. The criminal anonymous emails that have plagued me and my family and associates for the past three to four years are M15-engineered terrorising of me for continuing my fight for justice against the University of Greenwich which deprived me of my severance payment of £55,000 in complicity and conspiracy with officials of the Employment Tribunal in Ashford Hearing Centre and then through District Judges Caddick and Diamond of Medway County Court under Claim ME010463.

The failure of the Medway County Court to implement a default judgement on my Injunction and Money Claims application against Kent Police that prevaricated with obstruction of justice at the Queens Bench Division of the High Court under Claim HQ17X01773, and the refusal of the Central London County Court Judiciary to deal with my application to set aside the Order of His Honour Judge Parfitt and the associated Order District Judge Lightman when taken together with the manner in which my counter prosecution against the Chief Constable was refused by East Kent Magistrates Court and Maidstone County Court all goes to show that the entire Judicial and Law Enforcement processes is not pathetic in structure but deliberately manipulated by a Big Brother Establishment for the reason that I had described the United Kingdom as being a nation of morons in a Police State and that as my karma in sanatan dharma I was minded to punch the final nail in the coffin of such a Monarchial Dictatorship by sticking my head into the mouth of the British Lion and taking it out unscathed, being able to do so because my truths are superior to those under which the unwritten Constitution of the United Kingdom operates.

They can persecute me all they like but I will not be deterred from this path and will fight on in dharmayudha, and will never leave this country no matter how hard they try to give me a criminal record for imprisonment or a forensic record for mental health incarceration again. I repeat I am not just the sanest person in the world today but the sanest who has ever walked on Earth in the history of mankind, and will continue with my political activism in the Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom:  
<https://theconservativelibertariansociety.com>

#### DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.

2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.

3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was highjacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.

4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.

5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.

6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.

7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious\_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court

Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

This matter is far too urgent to put into the back burner until David Caswell returns from leave on 25 July 2022.

BLM Law incorporated into Clyde Law have to agree to process the Pre-action Protocol or free me from the continuing investigation by Kent Police into the circumstances where I am alleged to have stalked and harassed Katrina Sale and staff of BLM Law. I did no such thing. The criminal anonymous emails that have plagued me and my family and associates for the past three to four years are M15-engineered terrorising of me for continuing my fight for justice against the University of Greenwich which deprived me of my severance payment of £55,000 in complicity and conspiracy with officials of the Employment Tribunal in Ashford Hearing Centre and then through District Judges Caddick and Diamond of Medway County Court under Claim ME010463.

The failure of the Medway County Court to implement a default judgement on my Injunction and Money Claims application against Kent Police that prevaricated with obstruction of justice at the Queens Bench Division of the High Court under Claim HQ17X01773, and the refusal of the Central London County Court Judiciary to deal with my application to set aside the Order of His Honour Judge Parfitt and the associated Order District Judge Lightman when taken together with the manner in which my counter prosecution against the Chief Constable was refused by East Kent Magistrates Court and Maidstone County Court all goes to show that the entire Judicial and Law Enforcement processes is not pathetic in structure but deliberately manipulated by a Big Brother Establishment for the reason that I had described the United Kingdom as being a nation of morons in a Police State and that as my karma in sanatana dharma I was minded to punch the final nail in the coffin of such a Monarchial Dictatorship by sticking my head into the mouth of the British Lion and

taking it out unscathed, being able to do so because my truths are superior to those under which the unwritten Constitution of the United Kingdom operates.

They can persecute me all they like but I will not be deterred from this path and will fight on in dharmayudha, and will never leave this country no matter how hard they try to give me a criminal record for imprisonment or a forensic record for mental health incarceration again. I repeat I am not just the sanest person in the world today but the sanest who has ever walked on Earth in the history of mankind, and will continue with my political activism in the Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom:

<https://theconservativelibertariansociety.com>

Contact Point entry:

I have been harassed by Kent Police since September 2021 on false allegations of me having stalked and harassed a member of the Conservative and Unionist Party and staff of a Law Firm. I was arrested on 24 November 2021 when Kent Police seized our computer devices and mobile phone for their own purposes to frame charges against me. I would like these allegations to be dropped since I

did not do anything wrong to anyone and 9 months and half has gone by and our property have not been returned by Kent Police.

In Vishista-advaita there comes a time when one's understanding of Brahma Nature is so complete that one does not any longer seek one's preordained and preorchestrated destiny for as Self which equals Absolute one is self-contained. This is the goal and I have personally attained it through Divine Providence. It is a state of automation now. In that there is nothing to fear. I am done. Life is mundane, therefore. No interest left.

In Brahmadvaita that believes in pre-ordination and preorchestration union with Brahma submits to the philosophy of letting Providence decide one's fate because from guna transcendence completely to shed of all jivaatman's attachments finally one goes with the flow of events and incidents. If there is to be liberty on the horizon that is all well and good for it will take away all the human beings uncertainties in living that cause mental suffering. One has no aims and one accepts one's fate as pre-ordained so there is no one to blame for the ups and downs during one's life. It is just how it was all meant to be.

**19.04 pm (UK-Time) 9 July 2022**

I deleted all the emails in my inbox as nothing came from ASDA, BP, ALDi and Sainsburys concerning the Customer Experience Manager post in the local Hempstead Valley Shopping Centre. Told Rashmi I will not go to the Sevenoaks Trading Assistant Jo interview at Sainsburys for this reason.

Amulya wrote on WhatsApp thinking I was concerned that I did not have a son: I wrote back 'Puo, jhio, stri, sanga, jibana, marana au duniya ro sabue ginsa ro prasna ebe uthuni. Moro the mukti hei jae chi'; translated as son, daughter, friend, wife, life, death and world's all the other things are no longer questions for me because I have experienced mukti or liberation.

**20.02 pm (UK-Time) 9 July 2022**

### THE END

There is nothing to say but the fact that truth leads to liberation from worldly matters even in the most horrendous of Police State in the world. All correspondence has ended. I got myself some beer and cigarettes and doing more of the household chores to assist Rashmi with her thigh/back problem and we will see how long that lasts. She is struggling but doing her exercises. Rupa is on track to start a job in a prison in Maidstone. Holidays may not materialise in Brighton, Cyprus, Portugal or even India this year.

I never thought that this was how it would all end: me being fed-up to the back teeth with living. Still I have my pension to fall back on. If Rashmi's health does not improve we may have to downsize to a smaller home and she is even talking about going to a Care Home. So as usual everything is uncertain. I am not concerned anymore. I will have nothing to do with the Courts, websites, and Books after this one is terminated. I will not write anymore or go into Facebook to post anything. I have just now blocked Amulya in WhatsApp to free myself completely from India. I am secluded in total privacy not even watching the world go by. I will be deleting everything that comes in email or in the post addressed to me.

I will also not be renewing any of my websites or domains in Wix.com or Bravenet when these next come up for renewal.
